Attendance: Ron and Viki (and Autumn) Mathews, David Hamilton, Joe Mallory, John MacDuff, Dick Wilker, Mark Byrnes

Meeting Minutes

Minutes from the January general meeting were approved as read (submitted)

I. Announcements

Dale Deering has resigned from the unit and returned the unit radio that he had. Rad Team meeting was Saturday the 14th – John will attend.

Ron has passed his Real Estate test and joined Windemere real estate.

Congratulations and good luck on your new career.

Andy Rebman had three requests/announcements.

1. Volunteers are needed for the spring academy to help with set up for the classes.
2. The Master Builders Association is having the Kitchen and Bath tour on April 24th and 25th. This is a KCSARA fundraiser and those units that provided volunteers would receive a slice of the money donated to KCSARA. Duties would be to meet and greet people who are touring the homes. If anyone from our unit can go it would really help with the finances to have some extra money coming in.
3. A volunteer was needed for the KCSARA audit and Viki's arm was twisted until she cheerfully volunteered.
