

Sat. May. 10, 2004 – Governing Body Meeting

- Call to order by VP Doug Burchard at 7:05 pm at Master Builders, Bellevue. EOC, 4X4, SPART, ESAR, Trackers, and KCSO present.
- Business Reports
 - Treasurer \$88,895.36
 - MBA Kitchen & Bath Tour - final meeting tomorrow. Should learn about final donation to KCSARA.
- Missions
 - Vehicle Insurance – There was an injury accident 2 weeks ago with a unit member going to training. She did not have any personal auto insurance. For now new members will need to show insurance card with application to KCSARA. May require cards for renewal from everyone in the future.
 - Evidence search Saturday: one for dogs, maybe another for a weapon. There will be a page.
- Unit Reports - .
 - ESAR Banquet – On Oct 2nd at Pickering Barn in Issaquah 6:30 PM (That is Salmon Days weekend.)
 - Note: Slow down driving through Base Camp: there are people, dogs moving about.
 - RAD Team - Looking for new members. Contact Rory Kelleher - roryc4x4@msn.com .
- Committee Reports
 - Radio Frequency list out soon
 - Computer Database up and running. Computers for the Vans are being setup. Computers for the units back in June.
 - May open store this Fall @ 7300 Building probably on a Saturday for people who want to purchase KCSARA items.
 - There is one more First Aid Refresher May 26th. Then none will be offered until next Spring. Units will be notified of members who's training has expired.
 - Setting up practical helicopter training. It will be on a Saturday at Boeing Field, and will be open to KCSARA members who have not taken one of the previous practical sessions.
 - There will be a Training directors meeting in future. Units will need to support. More info as it is developed.
- New Business
 - Map – Members are reminded that latitude and longitude readings may need to be converted. Washington SAR Standard is NAD 27. Not WGS 84. We also need to be careful to specify Magnetic or true on any compass headings, and also note the declination being used. Most maps show 19.5° at Snoqualmie Pass, but the current value is 18° !
