  - RAD still looking for people
  - There were 2 missions Sunday night. Trackers and 4 x 4 were not called. As it turned out, subjects were found by ESAR (in the first search) and Sheriff (in the second), so both would have been Turn-arounds, but I let Ron know we would rather be called and turned-around than not called until late in the search.
  - Trail Fest 2004 - July 10th, was a big activity. ESAR, Dogs, and Horses (without horses) took part. Talked to lots of people. Handed out lots of whistles.
  - Nothing else significant to Trackers.
- Committee Reports
  - There will be a Personal Locator Beacon (PLB) Presentation some time at a future meeting, October or later.
